Results for all Steps taken by this examinee (and for which results have been reported to date) are shown below. For Steps that span more than one day, the test date reflects the day on which the examination began. Where numeric scores are reported, the recommended minimum passing score (MP) is shown in parentheses. Pass/fail outcomes are based upon the minimum passing level in place at the time of test administration and are not altered by subsequent revisions to the minimum passing level. Effective April 1, 2013, test results are reported on a three-digit scale only; two-digit scores reported for prior administrations will no longer be reported. Test results reported as passing represent an exam score of 75 or higher on a two-digit scale.
